Hiring and onboarding associates

Challenge

Hiring and onboarding retail associates can be time-consuming and prone to error

- **Managers often dedicate excessive time** to onboarding due to turnover or seasonal hiring
- **Incremental productivity gains from new hires can be delayed** due to errors in onboarding paperwork
- **Stores risk failing standard procedure checks** because of inconsistent associate onboarding

Solution

Simplify hiring and onboarding so managers can get leverage sooner and spend more time on strategic tasks

- **Devout more time to sales-driving tasks** by automating the hiring and onboarding journey
- **Accelerate onboarding** by automatically uploading and managing new hire data in a secure Cloud
- **Guarantee consistent training** with automated training module assignments and tracking

Impact

Increase speed and accuracy of hiring and onboarding associates
